FIG. 1 is a perspective view of a cylindrical device 10. The device has a textured outer surface 50 and a central longitudinal opening 5. A circular feature 60 is located on the side of the device.

Technical drawing of a ring. The drawing shows a cross-section of a ring with a central hole. The outer diameter is labeled df . The inner diameter is labeled idf . The thickness of the ring is labeled h . The number 10 is written near the top left, and the number 50 is written near the top center. The drawing is a line drawing with hatching to indicate the cross-section.

FIG. 5A
